

Unemployment Rates for Central MA, Massachusetts, and U.S.

The standard unemployment (U-3) rates for the US, MA, and Central MA, and the expanded unemployment (U-6) National rate from May, 2013—May, 2014. The U-3 rate covers all individuals above the age of 16 actively looking for work, but unable to find any within the past 4 weeks. The expanded U-6 unemployment rate includes the total unemployed populace, plus all marginally attached workers, plus all persons employed part-time for economic reasons.
